BIG LIBERTY LOAN RALLY

Plans For Mass Meeting to Be Held in Town Hall Considered at Committee Meeting Last Night—House to House Canvass to Start on Sunday—Town Divided Into Twenty Sections With a Team to Canvass Each Section—T. H. Beckley Elected Commander-In-Chief.

chairman, Edward Browne, Charles F. W. Myles and Stanley Standish.

The policy of holding a mass meeting at the town hall was discussed and met with the approval of the committee.

The committee appointed to assume charge of the Liberty Loan rally was as follows: Lee Roy Robbins, chairman, Shepard B. Palmer, Westcott C. Fuller, Mrs. Edwin W. Higgins, Mrs. Channing Huntington, Edward Browne, C. F. Whittington and Myles E. Standish.

An executive meeting of the Liberty loan house to house canvass further plans were drawn up regarding the campaign and a committee on plan of territory was appointed which comprised M. J. Curran, chairman, Tyler C. Guy, C. J. Downes and M. J. Higgins.

The Liberty loan rally committee held a short meeting after the committee meeting and laid plans for the rally which the committee propose to make the largest yet. Plans are under way for a large parade and also prominent speakers are to be engaged.

The date for the rally has not been definitely decided but it is probable that it will be held on Saturday evening previous to the start of the house to house canvass.

Norwich must go over the top. She has made a good start but it is not safe to say that she is winning. The biggest blow at the house and auto-rally ever delivered and every true American should add his or her bit to the patriotic movement. During the coming week everyone will be prodded and all should subscribe. If you have subscribed once subscribe again. This war is thousands of miles away.

THOMAS H. BECKLEY (Appointed Team General)

away, but don't use that as an excuse; subscribe to keep it thousands of miles away. Every Liberty bond is a step toward victory. We must buy Liberty bonds.

C. R. Butts, chairman of the Norwich Liberty loan committee, held a Monday night at the close of business on Monday afternoon the local Liberty loan total was \$302.50 and the total number of subscriptions was 3047.

It is evident that the local subscription is being raised by the small subscriber as the average for each subscription is now \$1.00. The committee feels that there are many people in Norwich who are able to subscribe large sums and that these men of means are not coming across the way that they ought to.

A public committee was appointed as follows: Weston C. Fuller, Lieut. Callahan, N. O. Wrecked Train.

Fears For Safety of Norwich Man Are Relieved.

As Lieutenant John W. Callahan, now stationed at Camp Upton, L. I., left this city Sunday evening to return to his camp considerable anxiety was felt when it was learned that a train had been wrecked between New York and the camp. Lieut. Callahan was supposed to have left New York about three o'clock Monday morning which was a short time before the wreck took place. The first report did not state in which direction the train was running when wrecked, but it was later learned that it was running from New York toward Camp Upton to New York the fears of Norwich people were relieved.
